## Guidance Counsellors

Your guidance counsellors are a great resource for scholarship/grant opportunities in your local community.

## Your Parent's Workplace

Check with your parents and their friends to see if their workplace offers a scholarship. If they do they likely don't get many applicants and you'll have a great chance of winning!

## University/College Websites

Visit the websites of the schools you're interested in attending to learn about entrance scholarships as well as other scholarships you can apply to.
